

MILITARY.—Seventeen more new recruits were yesterday sworn into Capt. Bowen's Cavalry Company. Ten days more will fill it up to 95. When Gen. Blunt gave orders to raise this company it was thought by many to be an impossibility, but energy and perseverance have conquered. One fact worthy of notice is that all of Capt. Bowen's old Iowa friends were the first to "fall in." This fact of itself established confidence in the minds of those whose acquaintance with him bears a more recent date. The boys enjoy themselves and everything goes on swimmingly. We intend to publish in next week's issue the names of the members.

Freedom's Champion, Atchison, comes to us with new head and considerably improved by new type for the reading matter or body of the paper. The Champion is a sound (on the "goose" and other questions) and reliable paper, and we are glad to see such evidence of prosperity.

The rebel rattlesnake which was caged in a box at the P. O. building last week, has escaped, and that too without taking the oath! A joke on the snail-rake. But we presume if the oath had been administered its promise would have been no better than any other rebel's.

The Topeka Tribune says: Two Jayhawkers were arrested at Grasshopper Falls, on the 5th inst. by military authority. The name of one was Burdell, the other we did not learn. They had about twenty stolen horses and seven or eight guns in their possession. Burdell said he had killed four or five men, and did not relish the idea of being taken.

The Syracuse (N. Y.) Journal says the Salt Company are now shipping more than 20,000 barrels of salt per week, and that this does not nearly supply the demand; but the pressure is now being relieved. Nearly a million and a half of bushels of salt have now been inspected and shipped, and the production is increasing.

The Boston Commercial Bulletin states that T. E. Wells, of that city, has completed arrangements for a contract with the government to raise the vessels which have been sunk at the Gosport Navy Yard and in Hampton Roads. Altogether there were 13 vessels sunk. The contractor is to receive 45 per cent of the value of the vessels as salvage.

The Desert (Utah) News states that a cotton mill has been built at Parowan, in that Territory, and that some of the machinery has been put up and is now running. A considerable quantity of cotton is now raised in southern Utah, and it is for its manufacture into cloth that this factory has been constructed.

She's no longer sour, but Sweet,
And he's a Lemon-squeezer!

3 The election (whether general or special) shall be held in each ward by three judges of election to be appointed by the mayor and aldermen.

Sec. 4 If upon opening the polls in either ward a vacancy shall exist in the judges of election, the electors present are hereby authorized to fill the vacancy from among those qualified to act.

Sec. 11. At the close of the election or polls the judges shall proceed to call out the ballots, and ascertain the number of votes given for each person voted for and shall count the same without intermission until all the ballots are counted, when they shall certify the aggregate number of votes cast for each person and their certificate shall be attested by the clerks. The rejected ballots shall also be examined and certified to in the same manner as the others.

Sec. 12. The ballots as they are counted shall be strung by one of the judges on a string or wire and at the close of the count shall be replaced in the ballot box which shall be safely locked and not opened by the judges or with their consent thereafter.

Sec. 14. That the clerk shall on the next day after making the certificate aforesaid make out and deliver a certificate under seal of the city, if the city has such seal, signed by the mayor, to each person elected, setting forth the office to which he is elected.

Sec. 15. Any judge or clerk of election who shall connive serving as such and fail to perform any of the duties enjoined on him by law or ordinance, (except for reasons specified in the next succeeding section) shall forfeit and pay a sum of not less than five nor more than fifty dollars.
